

Welcome to Mini-C

Please come to camp every day with sunscreen and bug spray already applied. Please pack extra sunscreen and bug spray in their bag every day for counselors to re-apply as needed. Please pack an extra change of clothes every day in case of accident. On Mondays and Wednesdays please have your camper come to camp with their swimsuit already on and their towel and dry change of clothes packed in their bag. On Tuesdays please bring your child's helmet and their bike or scooter and park it in the grass outside of the far entrance (not route 7 side). Lower mini-c campers need to bring their pillow and blanket for nap every Monday and take it home every Friday to be washed. Please pack 2 healthy snack, a water, and lunch every day! And most important have your camper ready to have their best summer yet! 😊
(Please no dsi, ipods, or toys from home!)
